

School library activity Act II

First let's give our posters and bookmarks from activity 1 to the librarians. The bookmarks are gifts for people who read in english.

We need 6 groups.

A) IN THE ENGLISH BOOKS SECTION

Pick one book in English (randomly).

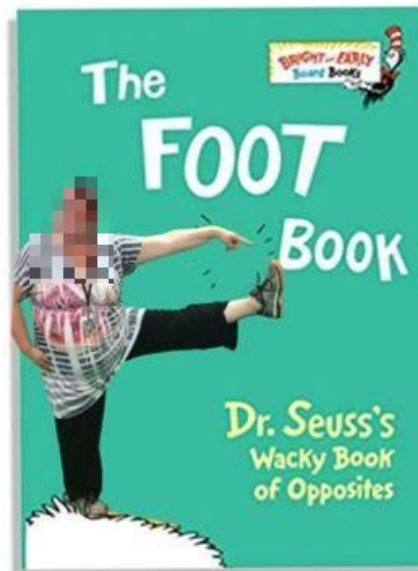

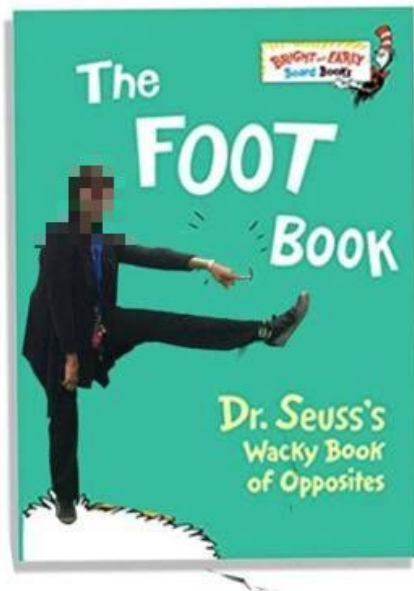

First, read the back cover, read a few pages and decide as a group **if you would like to read it or not.**

You might not all agree and will have to debate about it. You'll have to justify.

Write your conclusion down on a sheet of paper.

You'll take a photo of your conclusion and post it on the dedicated Pearltrees space .

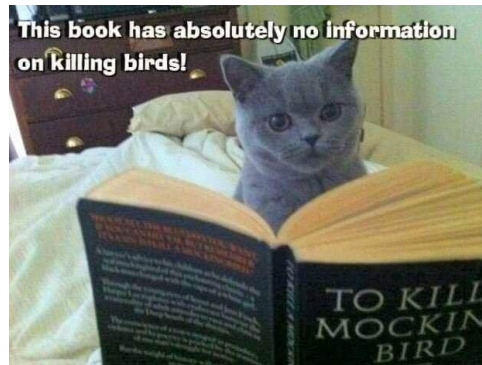

B) Green Screen/Book Cover Invasion

Take a photo of **an interesting book cover** and using **Chromavid** and the **Green Screen**, stage yourself and your friends inside the book cover. **Post your photos on the dedicated space on Pearltrees.**

C

Like this cat, express your surprise/disappointment/anger ... at a certain book (of your choice)

Take a photo of yourself reading the book and add the caption using the speech or thought balloons provided.
Post it on the dedicated Pearltrees space.

D

Let's try this : Give me the opening line of a book, but add «...and then, the dragons arrived.»

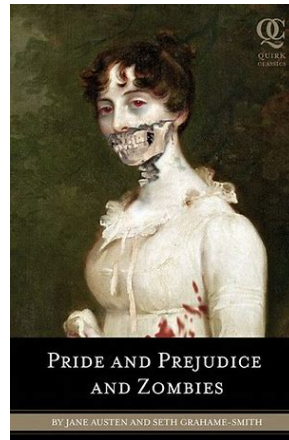

- *Mr. Jones of the Manor Farm, had locked the hen-houses for the night, but was too drunk to remember to shut the popholes, and then the dragons arrived.*

(Animal Farm- George Orwell)

Write them on the dedicated space on Pearltrees.

For example :

- *A bunch of people walk a lot and toss some jewelry into a pit. **

Another series :

- *A kid who lives with his abusive relatives goes to a school for special kids. Stuff happens. ***

Do the same for 2 or 3 novels and write your summary on the dedicated section on Pearltrees.

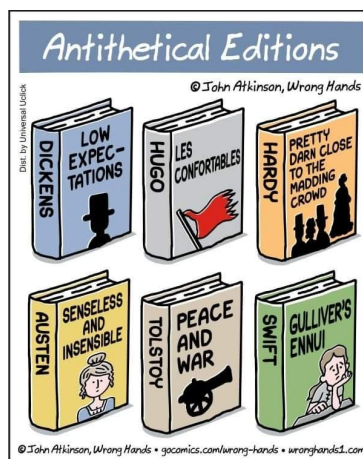

***The Lord of The Rings**

**** Harry Potter novels**
