C. Goarant

B. Complete the following sentences with these adjectives in the correct form:

easy – light – safe – fast – convenient – careful – aware

1. I don't like the idea of mobile wallets. I'm sure it's not as they pretend it to be. I'm sure you can easily get robbed!
2. My handbag used to be so heavy when I carried a cheque book, credit cards, a wallet, and dozens of loyalty cards. It weighed pounds. Now I just have my phone in it, it's a lot
3. Now that our shop accepts mobile payments, customers are really happy: it goes and they don't waste time checking out.
4. Well, with this app, it's to buy things and you may be of the money you're spending. So you should be not to be in the red!
5. Oh well, I just love this app, I find it much than carrying a wallet. You can do so many things with it.

C. Put the verbs in the correct tense.

1. If I had a mobile wallet, I (not need) to carry all that stuff.
2. I will go back to that shop as soon as they (accept) mobile payments.
3. You've already lost some of your customers. As long as you (not accept) mobile payments, others will go and shop elsewhere.
4. When I change phones, I (make sure) to get one with this app.

D. Complete these sentences logically:

If you get this app, you will be able to...

When you have it, you no longer...
