- **Activity B** In the English book section, take one book and find its French translation. Compare the 2 books (Front cover, spine, back cover...) Repeat 4 times and replace books where you found them! Write down what you have noticed.

- Author: _____ Title: _____ French title: _____

Remarks:

- **Activity C** Choose one book in English (randomly). First, read the back cover, read a few pages and decide **as a group** if you would like to read it or not. **Write** your conclusion **down** on a separate sheet of paper.
- **Activity D** Find on the internet a book trailer for one of the books in the English-speaking section. Discuss and **write down** what you understand. Say if you would read the book and if the book trailer influenced you. Is it a professional one or a fan-made one? Give your opinion on the book trailer.
- **Activity E** Look at bookfaces and try to make one using books in English. Send the photo to your teacher.
- **Activity F** You want to advertise the English book section to other students: find a slogan /explain/illustrate. Remember, you have 20 minutes only. Use Piktochart or your talent.
